

## HOURLY WAGE INFORMATION BY OCCUPATIONAL TITLE Published November 2005

# UTAH STATEWIDE OCCUPATIONAL WAGES

Below is a summary of the latest wage information available for the State of Utah. The occupations are listed alphabetically along with the "Occupation Code", which is a unique number assigned to each of the occupations in the survey. The data was collected during the period November 2004 – May 2005. Wages presented include the Entry Wage (the average of the bottom-third of all wages collected), Average Wage, Median Wage (which is the wage of the middle worker in the survey where half of the workers earned wages below the median and half above the median), and the Middle Range (which represents the wages

of the middle fifty percent of workers. One-fourth of the workers earned wages below the low end of the middle range, and one-fourth of the workers earned wages above the high end of the middle range).

A complete list of wage information for the entire state is available by accessing the Utah Economic Data Viewer on the Web at: http://jobs.utah.gov/jsp/wi/utalmis/gotoOccwage.do

### UEDV UTAH ECONOMIC

Questions may be addressed to Mark Knold (801) 526-9458, or Michael Hanni (801) 526-9403, economists for the Utah Department of Workforce Services. Comments about this summary flyer are encouraged, and can be directed to the above individuals.
